Office of the Asst. Registrar of Co-operative Societies

No. 5/157/11-12/ARPZ/HSG/ADM/2994

**Before the Co-op. Officer
Co-op. Societies
Ponda Zone, Ponda-Goa**

Read: Show cause notice dated 18-01-2024 issued to the Chairman & other Board of Directors of the Sayyadri Niwas Co-operative Housing Society Ltd., Durghabhat, Ponda-Goa.

In the matter of proceeding initiated vide show cause notice dated 18-01-2024 against the Board of Directors of Sayyadri Niwas Co-op. Housing Society Ltd. u/s 61 of the Goa Co-op. Societies Act, 2001 (Goa Act No. 36 of 2001).

JUDGEMENT

This judgment and order shall dispose off show cause notice dated 18-01-2024 issued by this office to the Board of Directors of Sayyadri Niwas Co-op. Housing Society Ltd. for committing breach of Section 72, 74 & 81 of the Goa Co-op. Societies Act, 2001. Accordingly, the Board of Directors of the said society was directed to file their reply to the show

cause notice dated 18-01-2024 and to remain present in the office of the Asstt. Registrar of Co-operative Societies on 05-02-2024 at 10:30 a.m. along with the documentary evidence if any in support of their say. The Board of Directors remained present on 5-02-2024 and filed their reply and the same was taken on the record.

That in terms of sub-section 2 of Section 72, every society shall hold the annual general body meeting of its member within 6 months from the close of the co-operative year. At every Annual General Body meeting of the society, the board shall lay before the society an audited balance sheet and profit and loss account for the year in the manner as specified by the Registrar by general or special order in this behalf. That the records resting with this office clearly indicates that the Sayyadri Niwas Co-op. Housing Society Ltd., Durghabhat, Ponda-Goa had failed to convene the annual general body meeting of the society for the year 2021-2022 and 2022-2023 and therefore they are not eligible to stay in the office of the society to manage its affairs and such delinquent Board of Directors have incurred disqualification in terms of Section 61 of the Act.

That the defense/reply submitted by the society wherein they have admitted that there is a failure on the part of the Board of Directors to convene the

Annual General Board meeting for the year 2021-2022 and 2022-2023 as provided in terms of Section 72(2) of the Act and as such the Board attracts disqualification under Section 61 of the Act. Simultaneously, in their reply they have also drawn the attention of the authority to the provisions of Section 72 (4) where the Board fails to convene the Annual or requisitioned general meeting within due time, it shall be competent for the Registrar to convene the requisitioned or Annual General Body meeting as the case may be. The defense/shelter taken by the Board of Directors by quoting Section 72(4) is totally unjust and not maintainable or support their case, since it is mandatory in terms of sub-section 2 of Section 72 on the part of the Board to convene its annual General Body meeting and failure will be resulted in disqualifying the entire Board of Directors in terms of Section 61 of the Act. Although the Section 72(4) empower the Registrar of Co-op. Societies to convene the Annual General Body meeting upon the failure on the part of the Board of Directors, it is also mandatory that without placing the audited statements of accounts for the respective year will not serve any purpose for exercising the powers as mandated under Section 72(4) of the Act by the Registrar of Co-op. Societies because it is mandatory under sub-section 2 of Section 72. That at every general meeting of a society the board shall lay before the society an audited balance sheet and profit and loss account for that particular year. In this case, it is pertinent to note that the audited statements of accounts were not ready and has been submitted by the Board of Directors to this office much later i.e. in the month of March 2023 and therefore the contention of the Board of Directors for involving sub-section 4 of Section 72 does not arise at all. There is a total failure on the part of Board of Directors to convene the Annual General Body meeting for the year 2021-22 and 2022-2023 and therefore they are not liable to get any relief as contended by them in terms of sub-section 4 of Section 72.

That in terms of Section 72(1) every society shall maintain accounts and records as provided under Section 73 and such accounts shall be audited atleast once in each financial year. That in terms of sub-section 4 of Section 73 every society within 45 days of the close of the financial year shall prepare the receipt and payment statement/trial balance, trading/manufacturing accounts, profit and loss accounts/income and expenditure account and balance sheet and within 15 days from such preparation submit a copy thereof to the Registrar and the auditor. However in this case the mandate of sub-section 4 of Section 73 has been violated and there is a total failure on the part of Board of

Director to prepare such statement of account within 45 days from the close of the financial year 2021-2022 and 2022-2023. In other words, the Board of Directors have managed the affairs of society during their tenure by floating and violating all the provisions of Act, Rules, bye-laws and therefore they are not entitled to claim any relief bound to be panelized for abusing the process of law.

In their reply, the Board of Directors has taken the defence under sub-section (4) of Section 74 wherein they have stated that they believe that the intention of the legislative to incorporate Section 72(4) was to provide for society not committing default. It is their further contention that these legislations are for remedial measures so that authority does not wait to allow the society to commit the default and then they punish them and further told that the department is also equally responsible causing default for not undertaking the audit.

The defense taken by the society is totally misconceived. As per sub-section (4) of Section 74 it is mandated that the account of the every society shall be audited within 6 months for the close of the financial year to which such accounts relates provided that if any society fails to get its account audited within the said period the Registrar shall appoint the auditor from the panel of auditors constituted under sub-section 2 of Section 74. Before applying above provision this authority would like to make clear that in terms of sub-section (4) of Section 73, it is mandatory on the part of the society to prepare its statements of accounts within 45 days from the close of the financial year and thereafter within the period of 15 days from the such preparation of account submit a copy thereof to the Registrar and the auditor. In this particular case the Board of Directors has violated the mandate of Section 73(4) and as a result of this provision of sub-section (4) of Section 74 could not be invoked since no such statements of accounts were prepared by the society and submitted for the causing the audit of the society for the year 2022-2023. Subsequently, this office vide order dated 30-11-2022 has authorized Shri Damodar P. Parab, Certified Auditor to conduct the audit of society for the year 2021-2022 on account of failure on the part of the Board of Director to get the account audited within the period of 6 months from the close of financial year, however surprisingly got their accounts audited from unauthorized person Mr. G. R. Shanbag when this office had not issued any order to him to conduct the audit of said society which clearly speaks how the order of Registrar are flouted by the Board of Directors.

That in terms of Section 81 it is mandated that every co-op. society shall file its returns within six months from the close of the co-op. year to the Registrar along with the filing fees as prescribed. However not filing the returns within stipulated time period of six months the Board has not only made themselves liable for disqualification as provided under Section 61 of the Goa Co-op. Societies Act, 2001 but also caused financial losses to the Government treasury by not paying filing fees within the stipulated period of six months. The filing of the returns are pending from 2021-2022 to 2022-2023. In their reply the Board of Directors has clarified that the non filing is not deliberate and they are always willing to pay the filing fees along with the penalty. The defense taken by the Board of Directors is found totally unsatisfactory and not convincing the Board of Directors has deliberately and intentionally delayed in convening the Annual General Body meeting as required in terms of Section 72 of the Act and caused delay in inducting the audit of the society within six months from the close of the financial year as provided in terms of Section 74 of the Act and also causing revenue losses to the Government treasury by not filing return in appropriate time as provided in terms Section 81 of the Act.

In my considered opinion, the Board of Directors are habitual offenders and they have committed breach of Act and liable for action in terms of Section 61 of the Act. There was a sufficient time for the period from 2021-2022 and 2022-2023 at the disposal of the Board of Directors to take remedial and corrective measures to complied with Section 72, 74 and 81. However they approached before this Authority only after issue of show cause notice dated 18-01-2024 to grant three months time to regularize their irregularities in connection with the compliance of Section 72, 74 and 81 of the Act and keep on continue the affairs of the society without attending the statutory requirements of above provisions of the Act. However this authority is not in favor of granting any more time to the Board of Directors because of the reason that the Board of Directors are found continuously violating the mandate of Section 72, 74 and 81 of the Act in spite of having huge time and therefore they are not reasonably entitled to grant 3 months extension as requested in their reply dated 5-02-2024.

It is pertinent to note that, in terms of Section 59 of the Act the management of every society shall vest in a Board which shall exercise such powers and perform such duties as may be conferred or

imposed by the Act, Rules and bye laws. In terms of sub-section 8 of Section 59, every Director and employees of the society while exercising his power and discharging his duty shall:

a) Act honestly, in good faith and in the best interest of the society and

b) Exercise such care diligence and skill as reasonably prudent person would exercise in similar circumstances. It is observed by this authority, that the Board of Directors during their tenure in society's office did not act honestly, in good faith and in the best interest of the society. They have violated Section 72, 74 and 81 while managing the affairs of the society and committed the breach of Act and more particularly brought disreputation to the society and lost their image in public. Under these circumstances, no any option is left to this authority but to disqualify the Board of Directors in terms of Section 61 of the Act to be ineligible to continue as a Director of the society.

In view of the above, I incline to pass following order.

ORDER

In excise of the power delegated to me by notification dated 30-09-2020 under Section 61 of the Goa Co-op. Societies Act, 2001, I, Smt. Housing Society Ltd., Durghabhat, Ponda-Goa.

That, on account of the disqualification of the entire Board of Directors by this order, the vacuum has been created and there will be no Board of Directors to manage the affairs of the society and therefore in order to overcome the above situation and vacuum which has been created by disqualification of entire Board of Directors, I further appoint Shri Subhash V. Shirsat as Administrator of Sayyadri Niwas Co-op.
